MAKE AN IMPACT

Our mission is to drive positive health and wellness outcomes in communities across the state of Texas through the power of play, recreation, and outdoor spaces.

By analyzing data on key factors such as poverty, diversity, mental health, obesity, and access to parks, we have identified areas with the highest need.

We are actively seeking partners to join us in supporting these communities and making a lasting impact. Together, we can measure and enhance the health and well-being of Texans.

As a partner in funding our targeted areas, you will get:

A team of passionate people to develop the best parks for these communities

Opportunities to have brand recognition within the park design

Outcomes reporting to show the impact part of your investment made

Leaving a legacy of health within these communities

AREAS OF FOCUS IN TX

This map shows the areas we are actively seeking support to fund new park builds. These areas show high needs to address disability rates, poverty rates, obesity rates, and beyond.

Focus Regions:

1. Lubbock Area, TX
2. Houston Metro Area, TX
3. Corpus Christi, TX
4. Waco Area, TX
5. El Paso, TX

Based on 5 Metrics:

Disability

Diversity

Poverty

Obesity

Mental Health

Highest Need —————> Lowest Need
